- 2) Every participant making use of the wild-water canal from the C.N.E.V. « al Schwemm », is compelled to strictly and promptly obey every instruction given by a staff member and/or assistant and/or trainer of KanuRaft s.à r.l. or any other person being responsible for the C.N.E.V!
- 3) Entering the wild-water canal is only permitted after expressly order given by a staff member of KanuRaft s.à r.l.
- 4) The participants accept that the wild-water canal has NOT to be considered as a recreational park, but as a training course for canoe and kayak including all risks and dangers existing on a wild-water river. The risk of collision and capsize of the boat, including its subsequent consequences such as swimming in a strong current or the collision with solid obstacles is omnipresent and involves risk of injury and drowning.
- 5) The participant uses the wild-water canal in full autonomy and at his/her own risk and responsibility.
- 6) The participant is solely responsible for his/her own safety, the safety of the group's participants and his/her family and bears the full risk and potential damage events which can result from the utilization of the wild-water canal.
- 7) If one or more participant(s) are not following the instructions concerning the safety, KanuRaft s.à r.l. reserves the right to immediately interrupt and/or terminate the boat renting without affecting the present terms and conditions.
- 8) The participants must immediately follow the instructions to get off the boat, leave the canal and go ashore. This is also applicable for individual persons within one same group.
- 9) In case of malicious damage, destruction or loss of the rented material or any other equipment, including installations of the "Centre National d'Eau Vive", the participant must compensate it with the reinstatement value.
- 10) The existing G.T.P.C. can be renewed and/or changed at any given time. The respectively valid version can be found on [www.kanuraft.eu](http://www.kanuraft.eu) or be viewed at the embarkment.

#### 4) Some details.

##### What is a MAMBO ?

It is an open kayak where one “sit-on-top”, not inside. We have 20 boats.

Can carry 1 person with a maximum of 120kg body weight.

Beyond 120kg, the MAMBO isn't anymore manoeuvrable in wildwater, gets instable and thus presents a danger for his user.

Boat specifications: Long 267cm; Wide 77cm ; Weight 19kg.

##### What is a Neoprene Longjohn ?

It is a body suit and has long legs but no arms at all. The material is 3,5 mm neoprene that keeps you a little warm and protects against skin scratching. We have sizes XXS, XS, S, M, L, XL.

It is a so called “Wetsuit”. Water comes inside.

**Inside the Longjohn you have to wear a swimsuit and a t-shirt for hygienic reasons.**

If you own a wetsuit better or comparable one, don't hesitate to wear it.

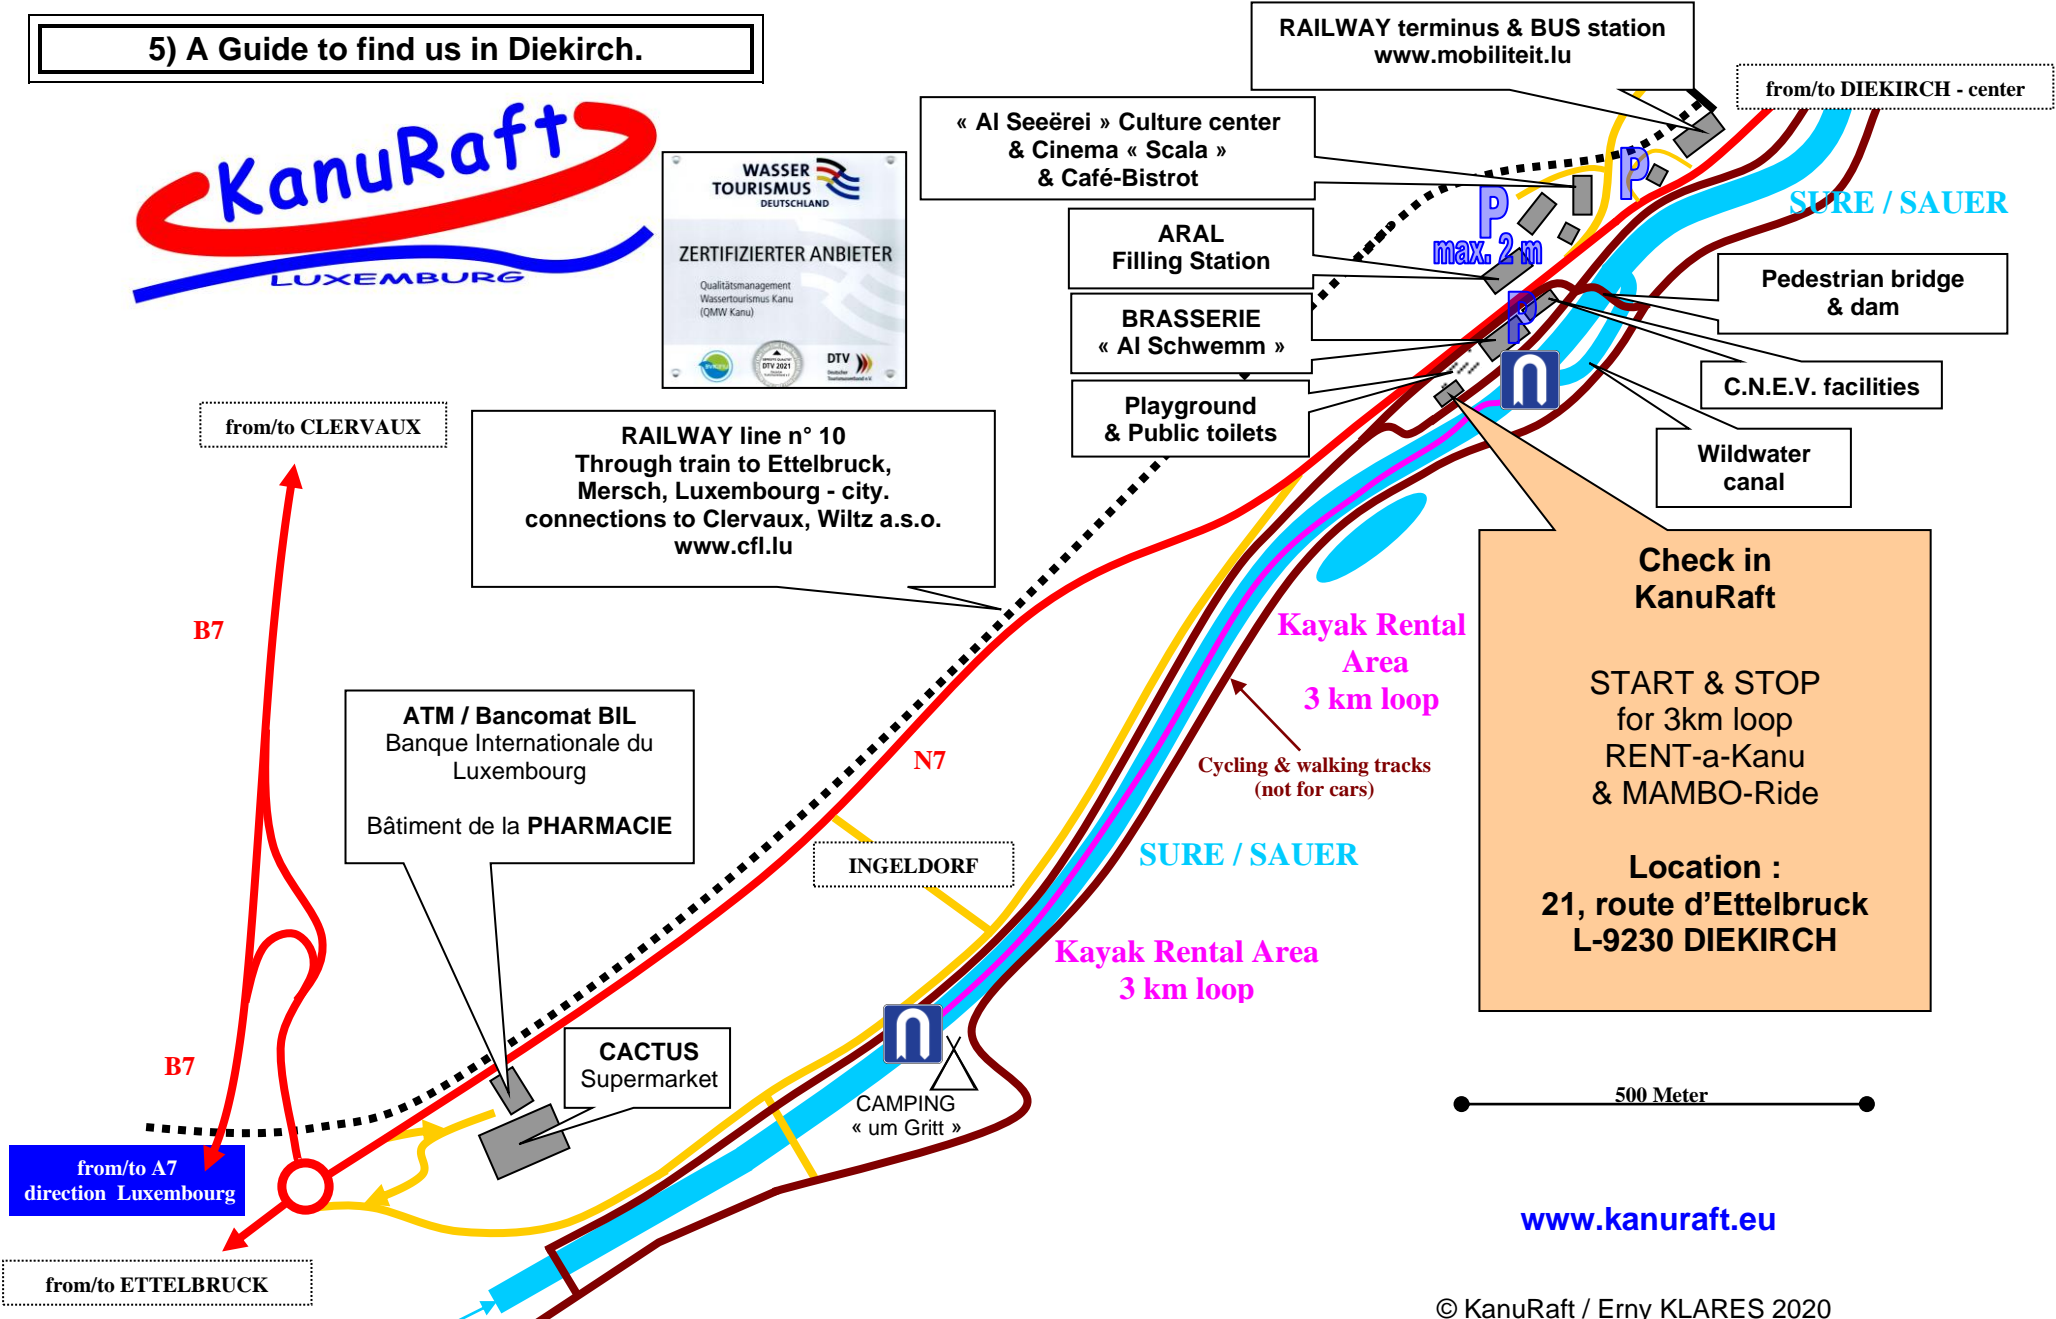

##### What are solid and fully closed shoes ?

Minimum sports shoes like this:

**MANDATORY !!!**
